Our History

OUR JOURNEY OF GROWTH.

White Leaf Group Limited started its operation in Feb 2014, with the vision to be the leading IT solutions and services provider in East and Central Africa.

From our Nairobi office , we offer IT security solutions and services to both big and SME institutions in the region.

2014

WHITE LEAF GROUP LTD
WAS ESTABLISHED

White Leaf Group Ltd was established with the vision to be the leading ICT solutions and services provider in East Africa.

JUNE 2015

KEPWARE AND
THINGWORX

As part of our growth into the field of IOT (Internet of Things) we became partners with two of the world's leading companies in the sphere of IOT; Kepware and Thinworx

AUGUST 2016

THYCOTIC

As part of our growth into the field of ICT security we became partners with one of the world's leading Privileged Access Management solution provider, Thycotic.

We can deliver a complete package of cyber security services and solutions to our clients including: IT Security and Technology Based Cyber Security Training (Cyber Range) and Research services.

From inception, White Leaf Group Limited has shown consistent market growth. Our commitment to clients and our technical superiority coupled with irreproachable business ethics has firmly cemented us as a company to be reckoned with. We have a proven track record in delivering innovative IT security solutions since 2014.
